

Transition to College and Careers

College Prep/Career Planning for Adults:
Green Careers

TCC provides an opportunity for students to improve their academic skills & job readiness while exploring environmental issues such as: Water, Waste, Energy, Transportation, Building, Food and Agriculture.

- Improve skills in Reading, Writing and Math
- Learn about jobs & careers in the Green Economy
- Gain in-depth knowledge about the environment
- Connect to training and career development resources
- Achieve a nationally recognized Certification
